A crossword puzzle grid with the following structure:
- A vertical column of 6 squares.
- A horizontal row of 6 squares intersecting the vertical column at its 3rd square from the top.
- A vertical column of 3 squares starting from the 2nd square of the horizontal row.
- A vertical column of 3 squares starting from the 6th square of the horizontal row.
- A vertical column of 3 squares starting from the 4th square of the horizontal row.
Illustrations around the grid: a hamster at the top, a dog to the left of the top two squares of the vertical column, a mouse to the left of the horizontal row, a rabbit to the left of the 4th square of the horizontal row, a bird in the middle of the horizontal row, and a cat to the right of the 6th square of the horizontal row.

HAMSTER CAT
RABBIT BIRD
MOUSE DOG
